Research Interests: Climate Adaption, Sustainable Development, Risk Assessment and Reduction, Health inequality

EDUCATION

- University College London (UK)** Oct. 2025-Present
- **PhD student** in Department of Risk and Disaster Reduction (RDR)
- Harbin Institute of Technology (China)** Sep. 2022-Mar. 2025
- **Master** of Engineering in Urban and Rural Planning
 - Average score: 90.0 /100 | Ranking: 1/38
- Hebei University of Technology (China)** Sep. 2017-Jun. 2022
- **Bachelor** of Engineering in Urban and Rural Planning
 - GPA: 3.90 | Ranking: 2/40

FUNDING & GRANTS

- UCL Careers: Supervisory funding scheme for short-term research projects** Jun. 2026-Present
For 1500£
- Selected for the UCL Research Culture scheme to design and deliver a 70-hour summer research project for a Careers Extra undergraduate from an underrepresented background, including supervision, mentoring, and applicant interview and selection training.

CONFERENCE PRESENTATIONS

- [1] Cheng, Q., Sha, S., Cheng, W., & Lu, M. (2023). The thermal environmental characteristics and climate-responsive planning of “Rural Communities” in severe cold regions: Evidence from Zhangjiakou, China. ***Proceedings of the 59th ISOCARP Congress***. Toronto, Canada: ISOCARP.
(Presentation)
- [2] Cheng, Q., Sha, S., Cheng, W., & Lu, M. (2023). Social infrastructure demand evaluation and planning policies of historical communities from a resilience perspective: Evidence from typical communities in Hebei, China. ***Proceedings of the 59th ISOCARP Congress***. Toronto, Canada: ISOCARP.
(Presentation)
- [3] Cheng, Q., Sha, S., Cheng, W., & Lu, M. (2023). Evaluation of urban community healing space demand and planning strategies from a health equity perspective: Evidence from Tianjin, China. ***Proceedings of the 59th ISOCARP Congress***. Toronto, Canada: ISOCARP.
(Presentation)
- [4] Cheng, Q., Sha, S., Cheng, W., & Lu, M. (2023). Comparison of the spatial and temporal distribution characteristics of the “Informal Economy” in the context of multi-sector collaboration and governance: Evidence from Tianjin, China. ***Proceedings of the 59th ISOCARP Congress***. Toronto, Canada: ISOCARP.
(Presentation)

CERTIFICATES

Reviewer for international journals (30+ peer reviews)

- For the following SCIE/SSCI journals (mostly JCR Q1):
Sustainable Cities and Society (SCIE JCR Q1), ***Habitat International*** (SSCI JCR Q1), ***Cities*** (SSCI JCR Q1), ***Urban Climate*** (SCIE JCR Q1), ***Climate Risk Management*** (SCIE JCR Q1), ***Applied Geography*** (SSCI JCR Q1)

Member of ISOCARP (*International Society of City and Regional Planners*) Jun. 2023-Present

HONORS & AWARDS

- [1] Awarded the **Swire Scholarship** at St Antony's College, University of Oxford (2025), funded by the Swire Charitable Trust. (**Full tuition scholarship**)
- [2] Awarded the **UCL Dean's Prize** at Faculty of Mathematical & Physical Sciences, University College London (2025). (**Tuition-fee waiver scholarship, Ranked first among all candidates**)
- [3] Awarded the **China Scholarship Council - UCL Joint Research Scholarship** (2025), jointly funded by University College London and the China Scholarships Council. (**Fully funded scholarship**)
- [4] Awarded the **National Encouragement Scholarship** (2019-2021), funded by Ministry of Education of the People's Republic of China.

SKILLS

Research skills:

Statistical Analysis Methods; Geospatial Analysis Methods; Climate Modelling Methods; Questionnaire and Interview Methods; Team Collaboration and Coordination Methods

Communication skills: Mandarin Chinese (*Native*); English (*Can read, write, speak, understand and peer review*)
